

About Nassau Wings MC

Founded in 1986, we are a chartered member of the American Motorcycle Association open to men and women, new and experienced, and all styles of motorcycles.

We meet twice a month, on the second and fourth Wednesdays. We meet at the Walter P. Bennett Hicksville Community Center, 28 West Carl Street, Hicksville at 8:00 pm.

We schedule weekend and weekday rides including dinner rides on the Wednesday nights when there is no Club Meeting.

Check out our calendar on our website for rides and events.

RIDES FRIENDS FOOD

Camaraderie

Connect with like-minded individuals who share your passion for riding.

Enhanced Safety

Riding in a group is generally safer than riding solo in the event of a breakdown, accident, or other mishap.

Skill Development

Opportunity to develop your riding skills and gain confidence.

Explore New Routes & Events

Our calendar includes scenic destinations, rides with other clubs as well as many on and off island events.

Why Nassau Wings?

We are a relaxed club that enjoys friendships, laughter and good times as much as we enjoy riding.

Our members ride all styles and makes and we schedule rides of a variety of skill levels.

We ride as a group and make sure guests and new members are riding at a comfortable pace

MEMBERSHIP

Membership requirements are rather minimal, in keeping with the loose nature of the organization. We encourage those who are interested in our club to meet and ride with us as guests before requesting to be considered as prospects. Prospects are required to attend two club rides and attend four meetings. This gives you and the membership a chance to see if we are a good fit. Membership dues are just \$50 annually.
